H560 Drying Rack

Recommended use

The Drying Rack provides space for twenty 19 $\frac{3}{4}$ " x 26" plastic coated wire racks and one 19 $\frac{3}{4}$ " x 26" plastic tray. The spacing may be adjusted to provide for paper or model/construction drying. There is also space at the bottom to store extra wire racks.

⚠ WARNING

- ▲ This product is intended for use by children of immature judgment, therefore supervision is required at all times.

⚠ CAUTION

- ▲ For indoor use only. The Drying Rack is not waterproof.

Assembly

Products consist of the following:

H560 DRYING RACK comes in 2 cartons

- 1 **H562** carton with 10 Wire Racks
- 1 **H561** carton with the Drying Rack and one plastic tray

If your shipment is incomplete, please call Customer Service.

Maintenance

Periodically inspect for cracks, breaks, and loose or missing parts. Remove product from service when any condition develops that might make operation unsafe.

Cleaning

Clean the Drying Rack with a mild detergent & water. Too much water will harm the finish on the wood.

Construction

The wooden components are manufactured from solid maple and maple plywood, and are protected with a durable clear finish. The wire racks are coated in plastic and the tray is plastic.

Accessories

10 extra Wire Racks

Packaging Recycling

Please help preserve the earth for the children and recycle at an appropriate facility.

All our packaging is recyclable in two simple categories:

Packaging Materials	Recycling Category
Cardboard boxes and pads, newsprint	corrugated cardboard
Plastic wrap, sheet foam, foam pads	Plastic #4 LDPE

User modifications

We are not responsible for modifications made by customers to our products in the field without our supervision, testing, or evaluation.

Ordering parts

To order replacement parts, contact Customer Service with a description of the part(s) needed and the ID Code from the product.

Use only replacement parts supplied by Community Playthings.
