G481 Mini Unit Block Set

Recommended Use

Mini Unit Blocks are a popular means of learning. They are a medium for expressing rhythm, pattern, and design, and are one of the best instructional playthings. Children love the feel of the smooth, rounded wood, and never tire of the endless variety of constructions they can create. Mini Unit Blocks are intended for children one year and older.

⚠ WARNING

▲ This product is intended for use by children of immature judgment, therefore supervision is required at all times.

⚠ CAUTION

For indoor use only. Water and dirt will spoil these blocks.

TOTAL	91

If your shipment is incomplete, please contact Customer Service.

Accessories

G483 Deep Basket or your color choice of deep tote pan are ideal for storage.

Cleaning

If your blocks become dirty, you may want to wash them using a minimum of soap and water. Too much water may cause warping or rotting.

If washing does not remove enough dirt from blocks, try lightly sanding them. Blocks will not stack well if heavily sanded.

Construction

Mini unit blocks have rounded corners and are manufactured from solid maple. The roof boards are manufactured from durable, non-warping medium density fiberboard.

User Modifications

We are not responsible for modifications made by customers to our products in the field without our supervision, testing, or evaluation.

Ordering Parts

To order replacement parts, contact Customer Service with a description of the part(s) needed.

Use only replacement parts supplied by Community Playthings.
