Recommended Use

The Wall Cabinets are modular with the floor standing Community Cubbies and are designed to hang on the wall above them for storage of bedding, extra clothing, or other personal items. They are equipped with two adjustable shelves and can be used with Totes if needed.

CAUTION

- ▲ For indoor use only. The Wall Cabinet is not waterproof.
- ▲ This product is intended for use in caring for children of immature judgement. Therefore supervision is required at all times.

Assembly

Your Wall Cabinet comes in one carton containing:

1. One Wall Cabinet.
2. This Product Guide.

If your shipment is incomplete, please contact Customer Service.

Installation

Installation by a competent carpenter or maintenance person is required.

1. Position Wall Cabinet at the desired place on wall. Absent other considerations, an optimal height for the Wall Cabinet is 50" from the floor, or if over a base cabinet, 18" above the counter top.
2. Predrill and attach the Wall Cabinet to the wall with fasteners (not included) appropriate to the wall construction and the weight of the fully loaded unit.

WARNING

- ▲ The Wall Cabinet must be properly mounted before use. The customer must assume full responsibility that it will be secure for the long term.

Adjustable Shelving

Internal shelves rest on plastic supports. Move them up or down to adjust vertical spacing. Additional shelves may be ordered. Contact customer service.

Operation

The doors have a child proof lock to allow for storage of items that should be inaccessible to children. The lock is operated by turning the latch 90°. A plastic key is provided for this, although any key, coin, or similar object will work as well.

Maintenance

Periodically inspect for secure connections, cracks, breaks, loose parts, missing parts, and/or malfunctions. Remove the product from service when any condition develops that might make operation unsafe.

CAUTION

- ▲ Make sure the shelf is sitting securely on the supports.
