Recommended Use

The T17 Low Kiddie Car is recommended for children between the ages of 1 to 2, the T12 Kiddie Car for children between the ages of 2 to 4. Both have been designed with an "oversteer" protection to help prevent sudden spills.

⚠ WARNING

- ▲ This product is intended for use by children of immature judgement therefore supervision is required at all times.

Maintenance

Keep indoors or under cover when not in use.

Periodically inspect for cracks, breaks, loose parts, missing parts, and/or malfunctions. Remove the product from service when any condition develops that might make operation unsafe.

Cleaning

Wipe the wood parts with a damp cloth and a mild detergent. Do not use excessive water.

Construction

The wooden components are manufactured from solid maple and finished with a clear nontoxic finish. All edges and corners are rounded for safety and ease of cleaning. The handlebars are made of steel and finished with a baked on polymer coating. The 6" wheels feature durable soft plastic tires.

User modifications

We are not responsible for modifications made by customers to our products in the field, without our supervision, testing or evaluation.

Ordering Parts

To order replacement parts, contact Customer Service with a description of the part(s) needed and the serial number of the product.
